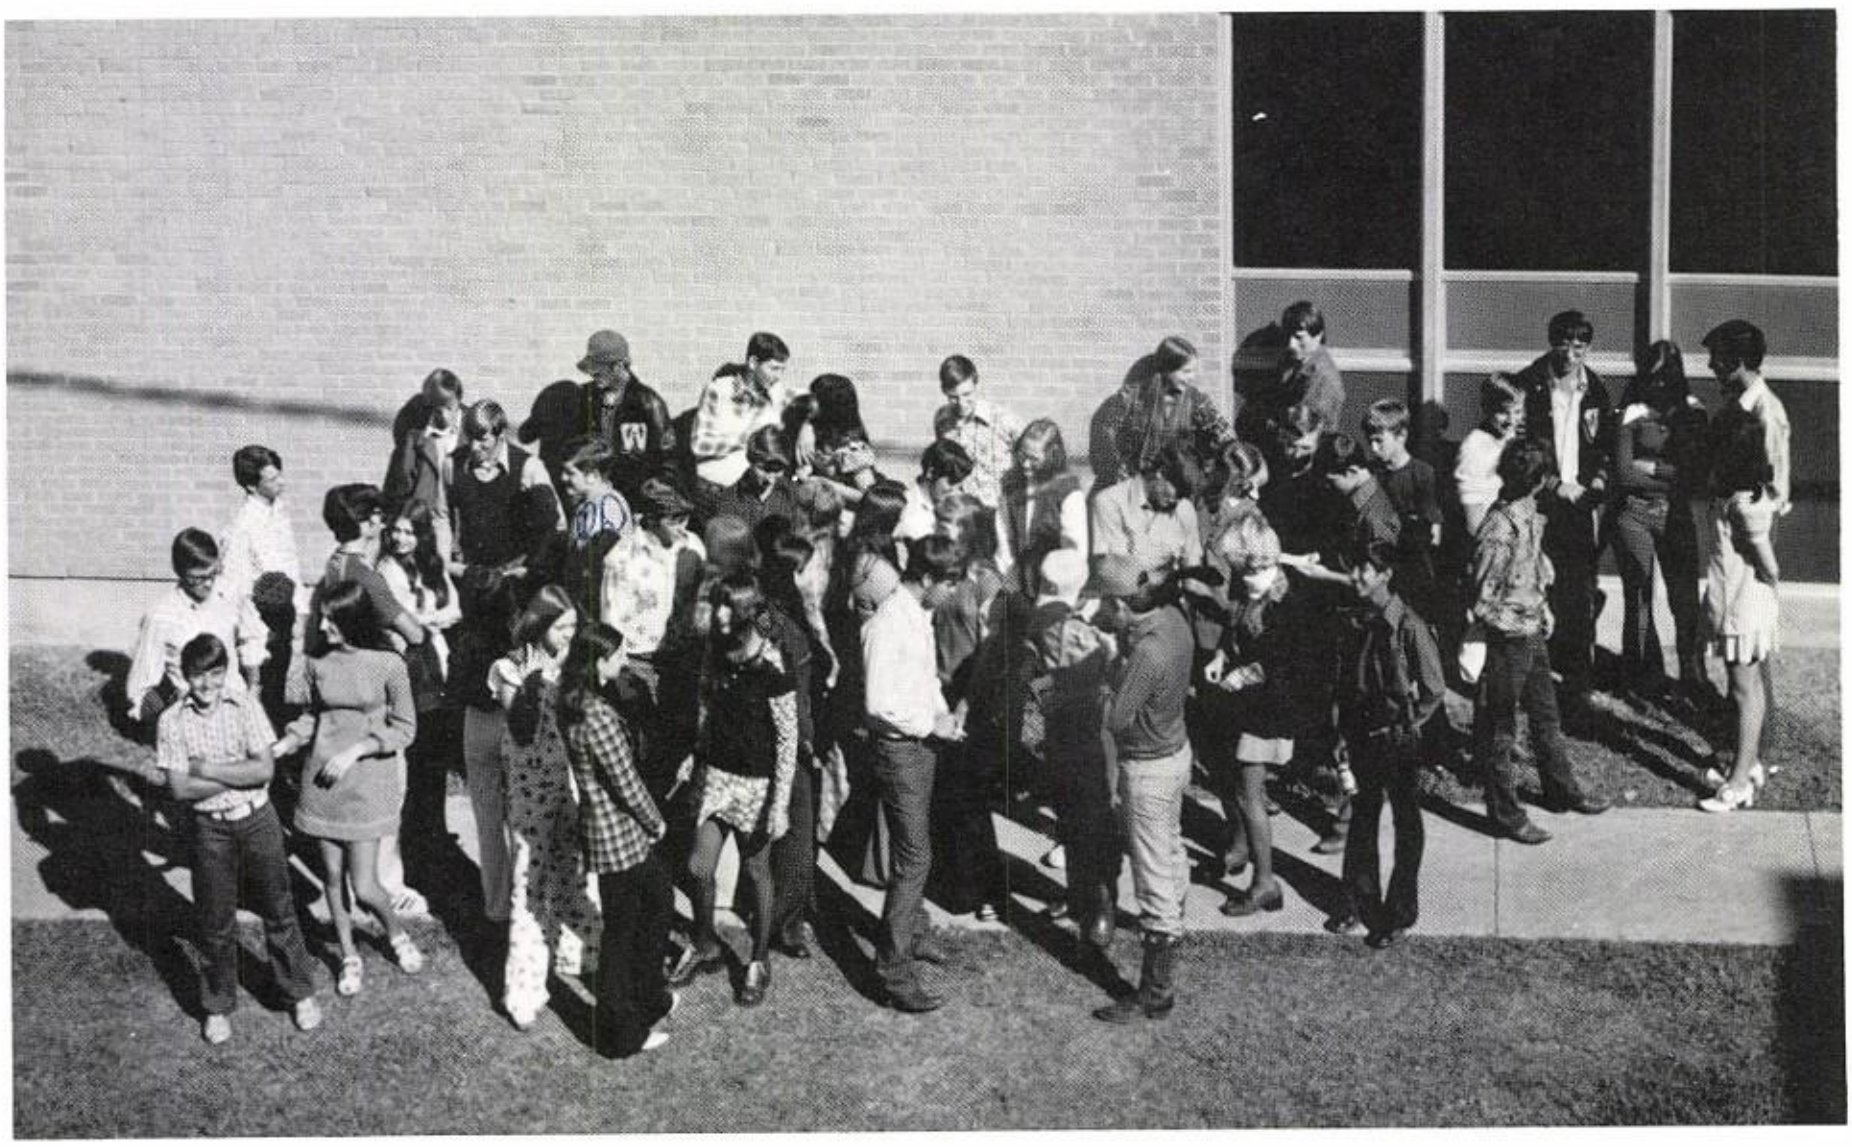
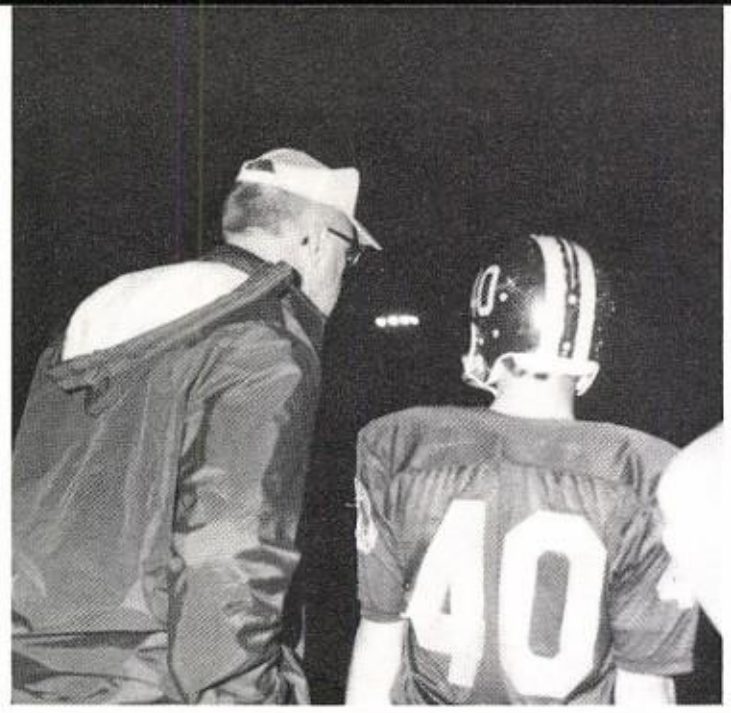
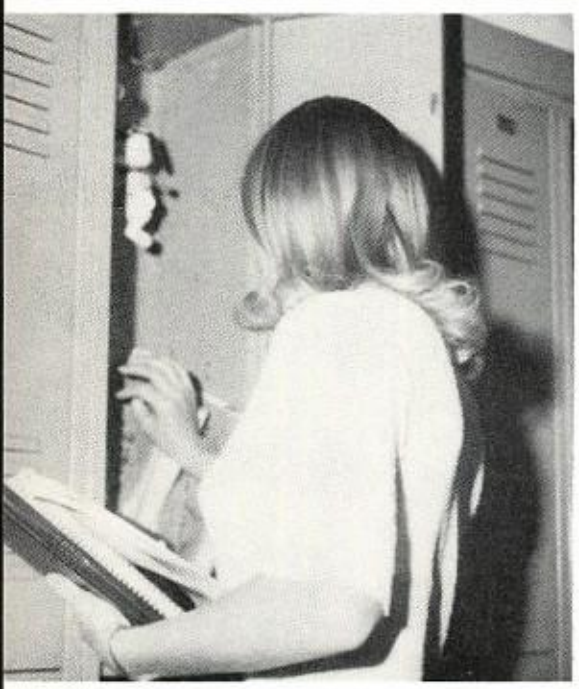
THE
1974
COWBOY



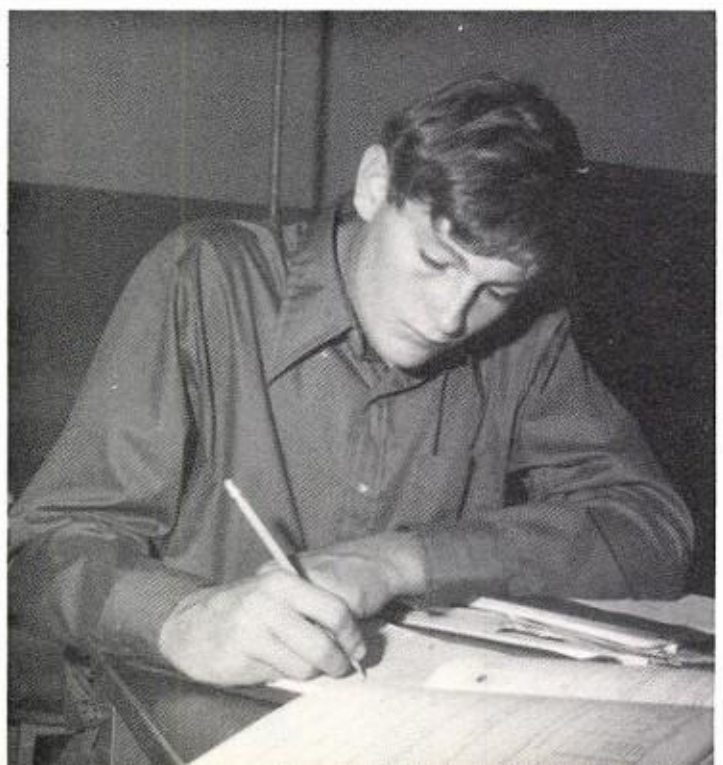
EDITED BY
THE
SENIOR CLASS
OF

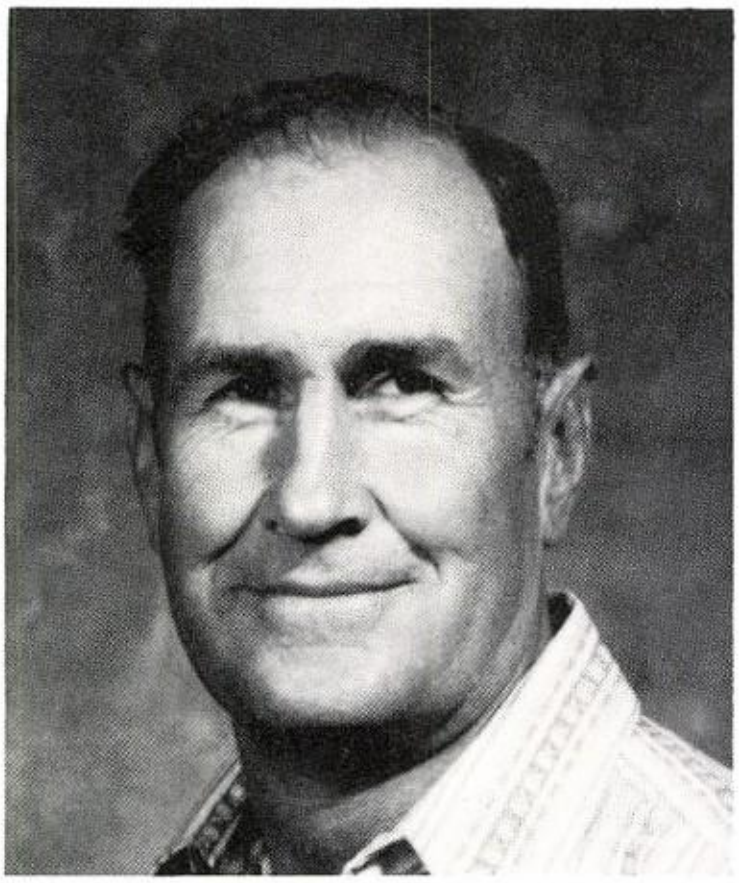
WOODSON HIGH SCHOOL





To a few, W.H.S. is "just a school," but to the majority of students, it is a place where we've learned together, shared together, and had fun together. A year at W.H.S. is a composite of activities. So, with this in mind, we have tried to capture this spirit of activity in our 1974 Cowboy. As you look through our yearbook, we hope that it will make you smile and remember "the good 'ole' days at W.H.S."

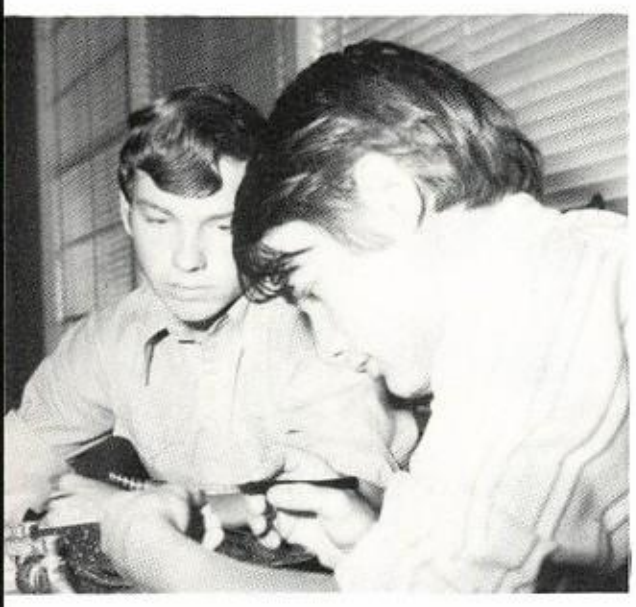


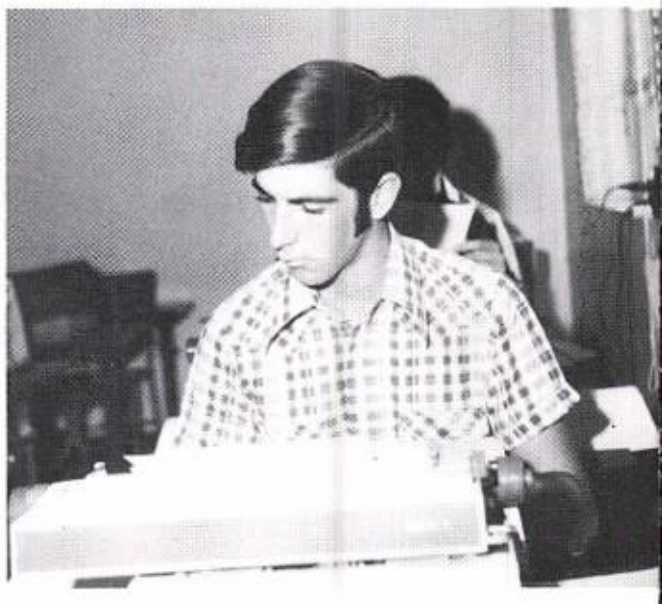


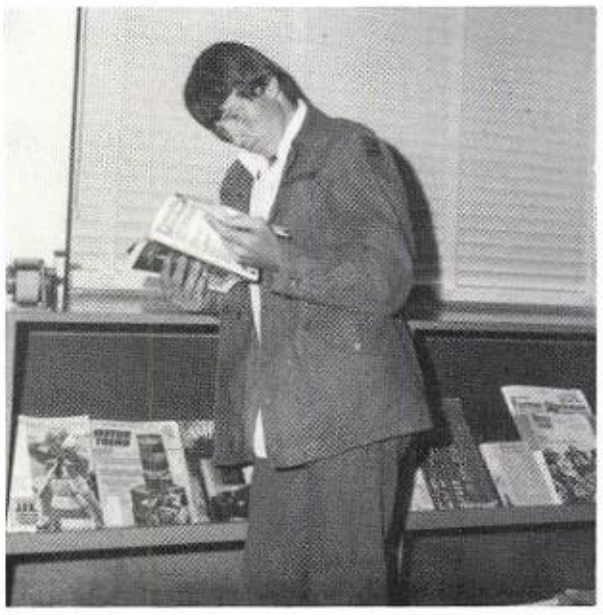
DEDICATION

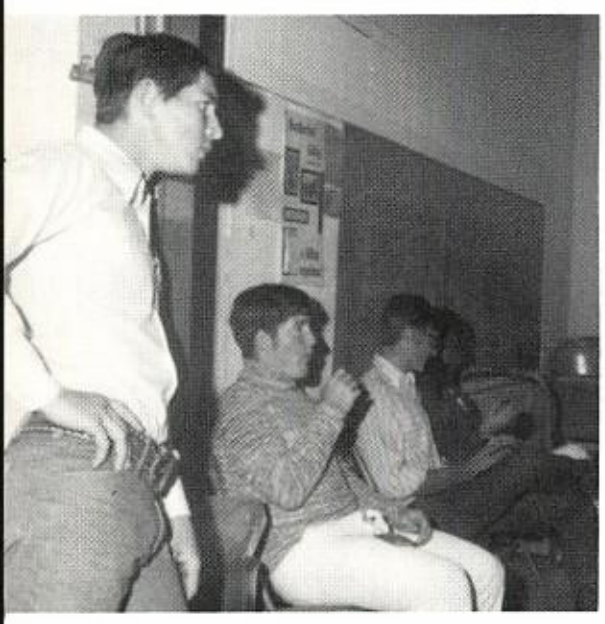
We, the Senior Class, are proud to dedicate our 1974 Cowboy to one who has devoted both his time and effort toward the improvement of our school, and who has taken and returned us safely on so many bus trips. Thus, we, the Seniors of 1974, wish to express our gratitude by dedicating our annual to our friend, DONALD BELLAH.

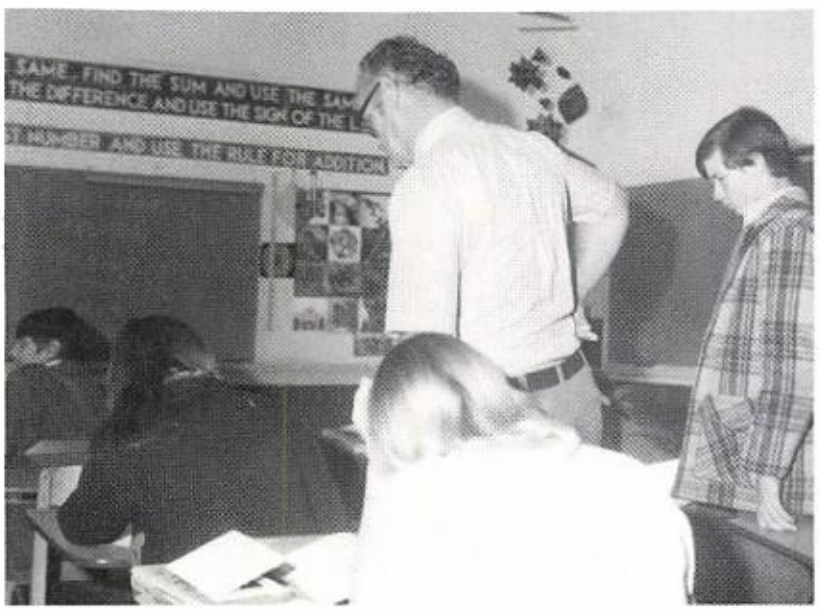
A TYPICAL DAY AT WHS

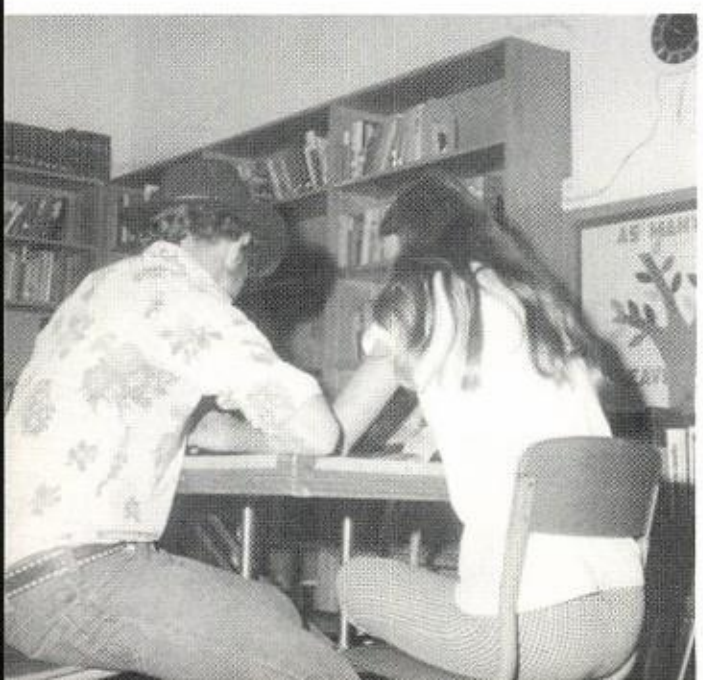


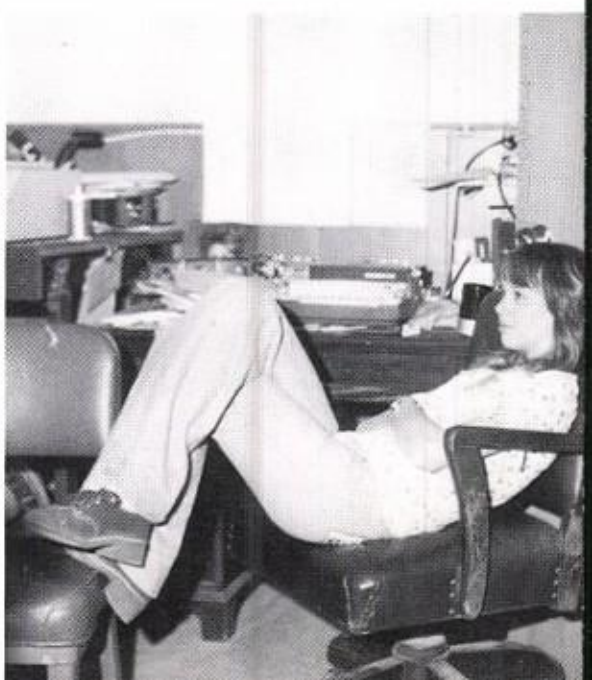


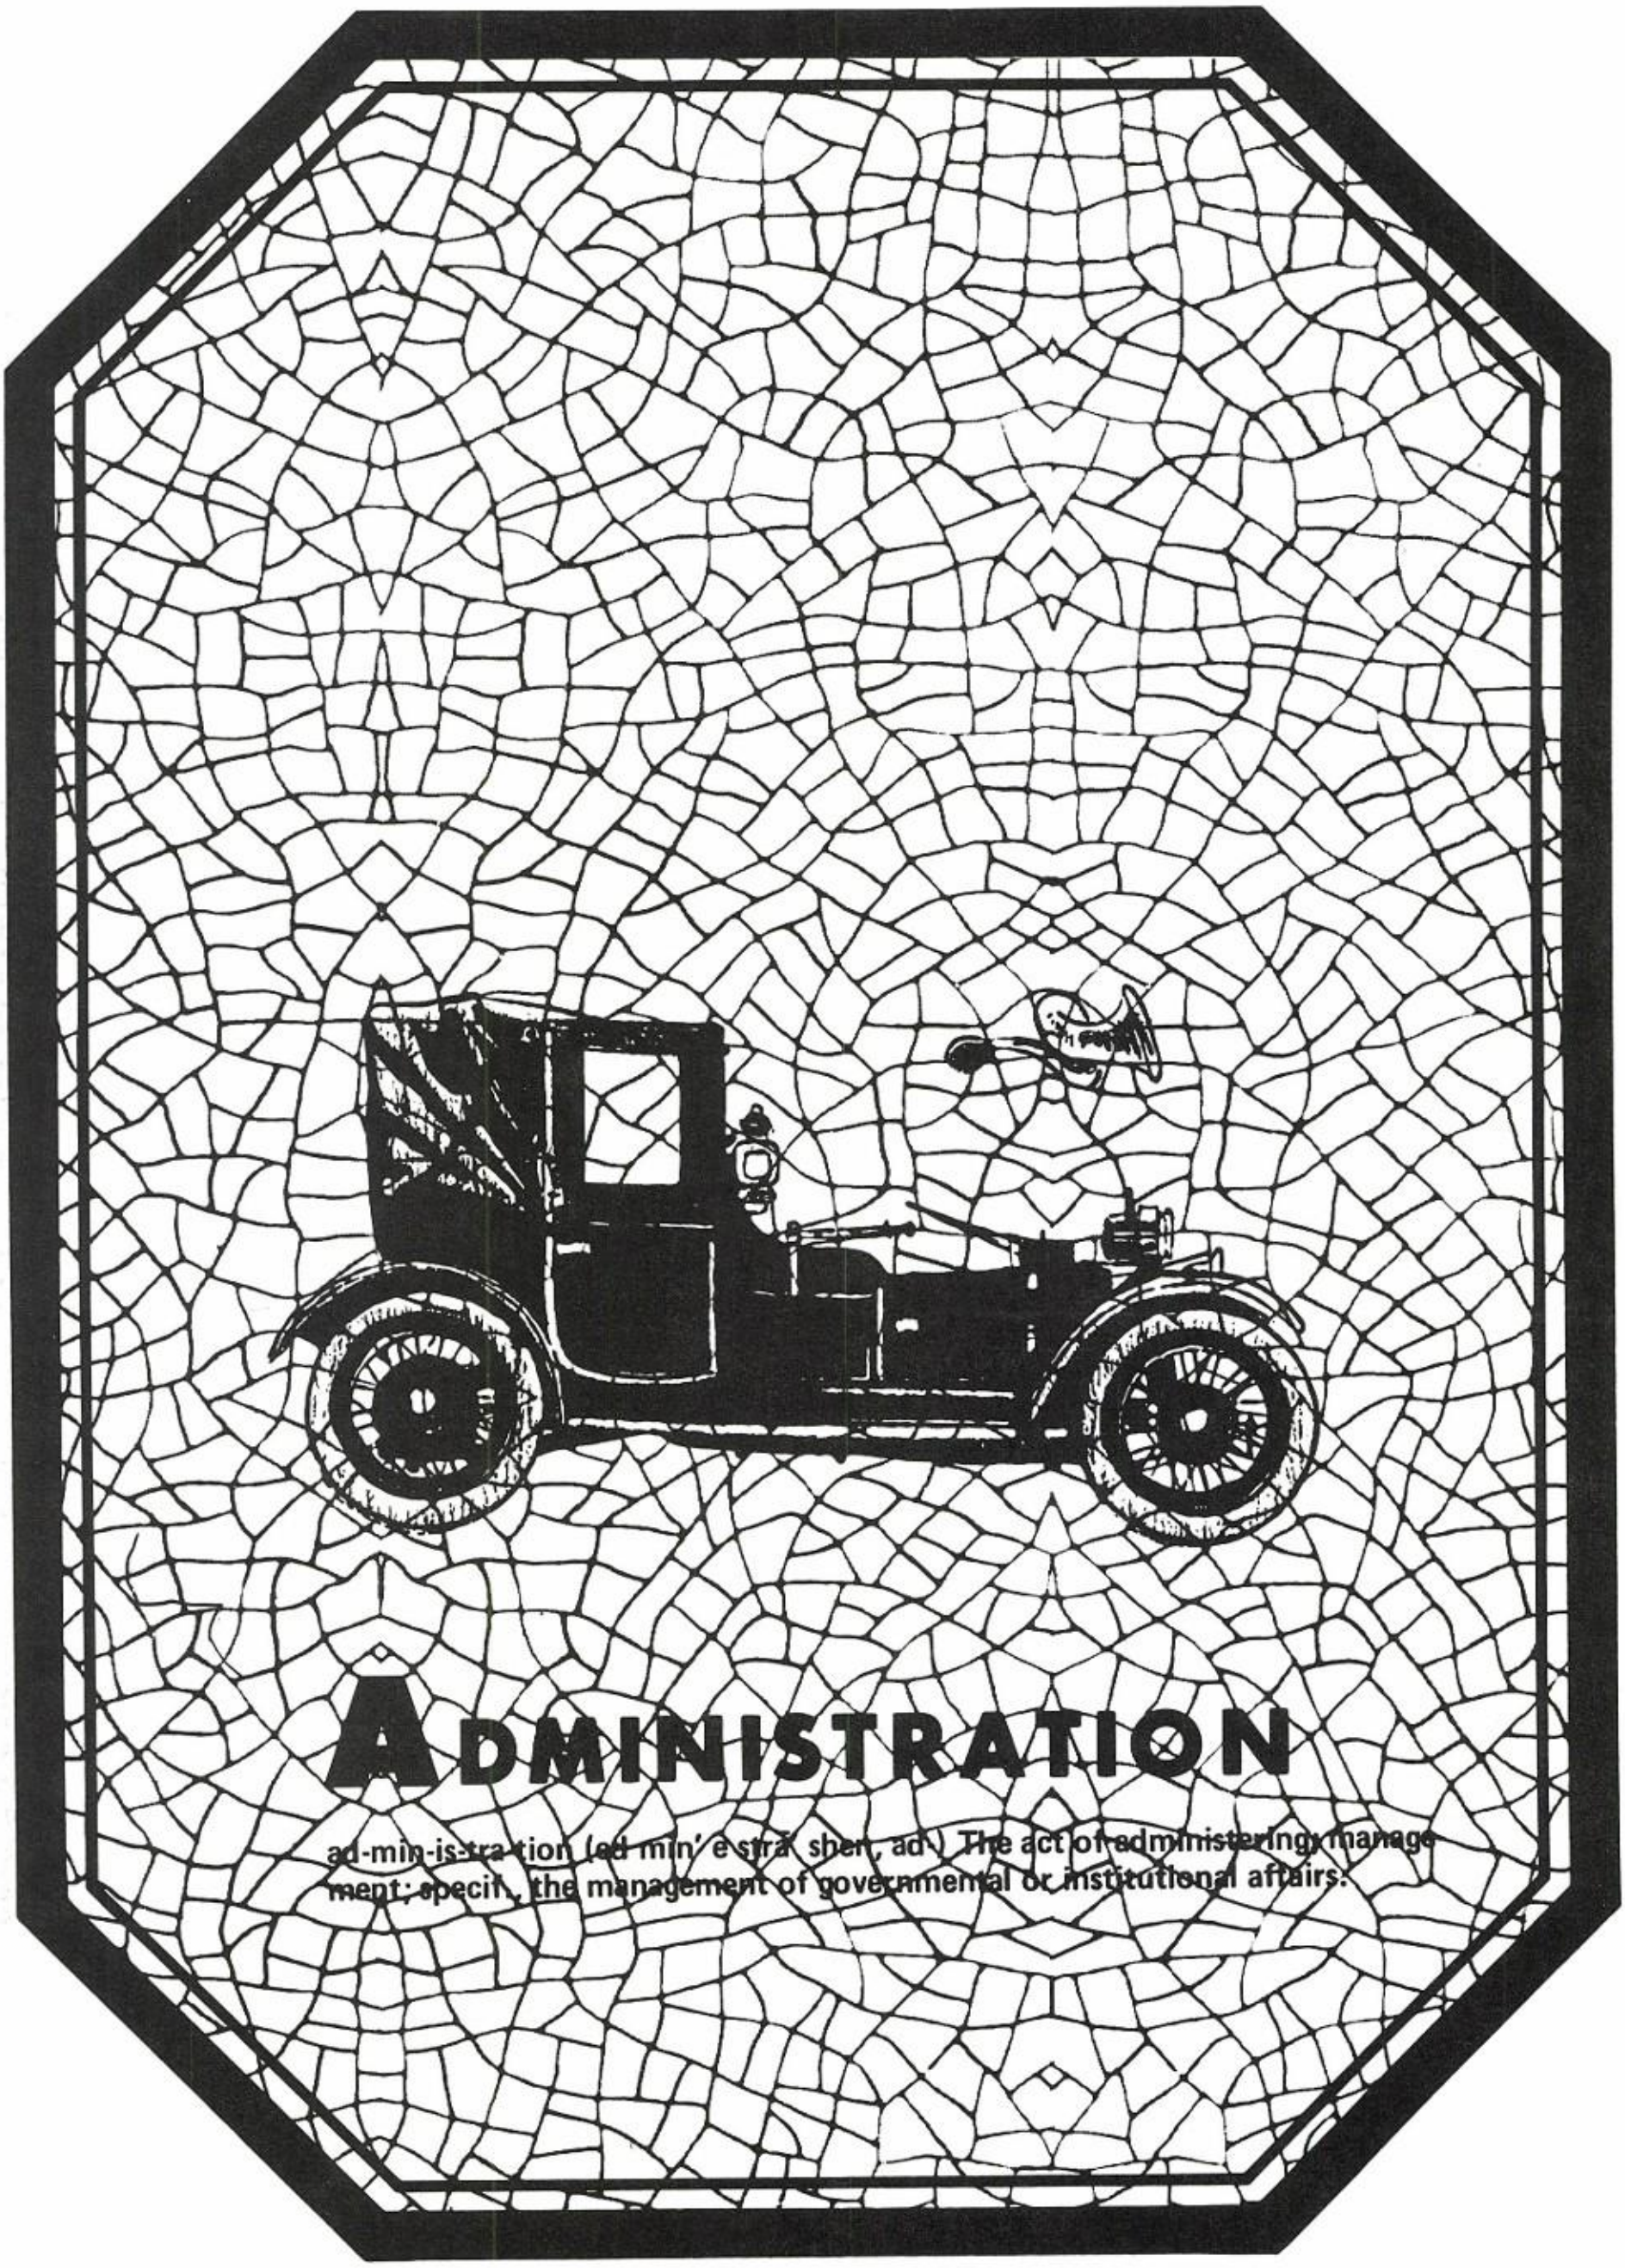












ADMINISTRATION

ad-min-is-tra-tion (ad min' ĕ strā' shĕn, ad-) The act of administering; manage ment; specif., the management of governmental or institutional affairs.

SUPERINTENDENT
EDDIE GILL, JR.

Without students there would never be a need for fine educational facilities. I firmly believe that our students here at W.H.S. are the "cream of the crop". You have made the 1973-74 school year a bright spot; as most have established goals, ideals, and standards; and have seen many of these come into realization. I hope that you have enjoyed the school year, and to the seniors please feel free to come back for a visit from time to time.

PRINCIPAL
JIM WHITE

It is my hope that the education you have received at Woodson will be sufficient to help you through your life. Remember that each day of your life becomes more important than the day before because we must use this day to correct the mistakes of yesterday, recover the lost opportunities, and rekindle any flame of loyalty that might have died. Make the most of everything as you go through life, for there are some things that will never come your way again.
